Every generation is defined by its people. People who create change. People who dare to make a difference. People just like you. For more than 80 years, Valley of The Sun United Way has been working to advance the common good in the areas of education, income and health. And now with Generation United, it's your turn to join the effort, continue in the tradition of influencing change and create a brighter future for every generation yet to come.

The opportunity for you to make a difference is now. Help define your generation, starting in your own neighborhood. Become part of a generation that takes action. A generation that achieves greatness. **A Generation United.**

GENERATION UNITED

WELCOME TO A NEW WAY OF DOING THINGS.

Generation United offers you an amazing opportunity to **connect** with like-minded people who share your passion for change. Our social events and volunteer activities are designed to help you network with other change-makers and action-takers. Along the way you'll meet lots of interesting people and build leadership skills. Oh yeah, and you'll have fun too.

SHOW US WHAT YOU'VE GOT.

When you **give** of yourself, it's incredible what you'll get in return. With Generation United, we ask that you give what you can and take a more hands-on approach to your giving. Your contribution helps make our community a better place for everyone and giving your time is a great way to see your dollars at work firsthand. The possibilities are limitless when you're willing to share your time, dollars, talent and passion with our community.

SPEAK UP, DARN IT.

With Generation United, you'll have the chance to dig deeper into our community's needs, get educated about the facts and be prepared to take action. When you become an **advocate** for change, you'll be standing up and speaking out for children, families and individuals throughout the Valley who may not be able to speak for themselves.

Become an active part in a generation unlike any other—Generation United. Visit GenUnited.org to sign up and get started, make connections and find inspiration.

Your involvement will help Valley of the Sun United Way:

GET OUT THERE AND WORK IT.

As a part of Generation United, you'll have the chance to roll up your sleeves and get dirty—literally, if you want. When you **volunteer**, you'll discover where your passion truly lives and how you can grow it into something extraordinary. Whether you use your time to paint a community center or read to a child, your efforts will make our community a better place.
